# CLIMATE DAY at the PASADENA CONVENTION CENTER

March 26 & 27, 9am to 3pm

PASADENA  
Water & Power

**Lectures by NASA and NOAA scientists; demonstrations, exhibits, student presentations, Climate Jeopardy competitions, giant illuminated Earth globe, career information, teacher and community resources, & more!**

*Speakers include:* **Dr. Josh Willis** - recipient of the 2009 Presidential Early Career Award in Science and Engineering, **Mr. Eric Boldt** - National Weather Service, **Dr. Mike Gunson** - JPL Global Change and Energy Program, **Dr. JoBea Holt** - The Climate Project, **Dr. Richard Shope** - Urban Science Corps Science in Action Theater, and **Mr. Rick Dickert** - Fox 11 Meteorologist

**PUBLIC TOWN HALL**, Saturday March 27, 1-2:30 pm:

## **Our Changing Climate: The Latest from NASA's Eyes on the Earth**

Scientists from NASA's Jet Propulsion Laboratory and Scripps will discuss the latest research and trends in the fields of Earth's atmosphere, ocean, ice, ecosystems, and paleoclimatology

**Pre-registration is required for attendance on Friday only. Go to:**  
[climate.nasa.gov/ClimateDay](http://climate.nasa.gov/ClimateDay)

**For more information, email:**  
[Annie.Richardson@jpl.nasa.gov](mailto:Annie.Richardson@jpl.nasa.gov)

## **Bringing Scientists, Students and Communities Together to Promote Global Climate Literacy**

This free event is sponsored by NASA's Jet Propulsion Laboratory in partnership with the Center for Ocean Sciences Education Excellence - COSEE-West and the National Oceanic and Atmospheric Administration/National Weather Service. Student Transportation sponsored by South Coast Air Quality Management District and Pasadena Water and Power.
